

**Dr. Sun, Arthur S. PhD, LLM – Mental Health Specialist**

My name is Arthur S. Sun. I am Cambodian-American. I came to the United States at a young age as a refugee. Growing up, and witnessed many Cambodian refugees faced hardships and had difficult time assimilated themselves into mainstream culture, and furthermore knowing Cambodian refugees diagnosed with PTSD, it has inspired me to pursue my career in laws and Psychology.

I am the first member of my family who had the opportunity to attend colleges and was conferred with multiple professional degrees. I have professionally involved in Southeast Asia communities for many years.

I am married and have 3 boys. My older son is a Sophomore in High School, my second boy is attending Middle School, and my youngest boy is in 4th grade.

I am 85% vegetarian. I love reading politics, Psychology, laws, and self-helps books. I also love walking, doing yoggi-meditation.
